It is a great pleasure to invite you to the 45th Congress of the European Calcified Tissue Society, to take place from 26-29 May 2018 in the beautiful Spanish city of Valencia.

Following our past successful meetings in Madrid (2001) and Barcelona (2008), we are delighted to continue our association with our Spanish collaborators and we invite you to join us. We have developed sponsorship packages to cover all budgets and to give a range of valuable opportunities to engage with the congress delegates. The congress will give you an opportunity to showcase your company, build leads, and to demonstrate your support of science.

The Scientific Programme Committee is made up of ECTS leaders, international experts and talented physicians and scientists active in the various fields of bone disease. Their aim is to organise a world class event during which every attendee can be sure of finding relevant and stimulating sessions.

The programme will include the best in science, therapeutic developments and innovations in our field.

Highlights will include:

- An exciting programme of invited lectures featuring some of the world’s leading experts in the field
- Company-supported satellite symposia highlighting some of the latest developments and research
- Networking opportunities with ECTS members, supporters, faculty and new investigators
- A busy exhibition area with lunch included in the delegate fee

We thank you in advance for your continued support and we look forward to welcoming you to Valencia for another stimulating and rewarding ECTS Congress.

Educational Symposium €15,000
1-hour co-sponsored session supported by an educational grant.

An initiative to give smaller companies the opportunity to fund a session within the scientific programme. A maximum of three companies can co-sponsor the same educational symposium and share the costs. The ECTS Scientific Programme Committee will take full responsibility for devising the 1-hour programme and speakers, tailoring it according to the companies’ interests.

Symposium programme included on the congress website and in final programme booklet. Support is acknowledged as “Session supported by an industry Educational Grant”.

Logo acknowledgement on the congress website, app and final programme book.

Support acknowledged at the beginning of the session with a slide including the logo of the supporting company(ies).

Up to 2 day passes for company personnel.

ePosters €20,000
Can be supported by an educational grant
Themed electronic boards with oral presentations by authors and discussions guided by a moderator. “Posters of the future”!

Sponsor acknowledgment at the entrance to the ePoster area.

Company logo on each individual ePoster station.

Logo acknowledgement in the Industry and Exhibition section of the programme book, app and congress website.

Congress App
Can be supported by an educational grant
Delegates can use their own smartphones to view the congress programme, find practical information about the congress and venue. The App offers sponsors a unique year-round opportunity for interactions and brand exposure.

Sponsor Page €10,000
The App offers the sponsors a dedicated sponsor button and page where they can promote their own congress activities. Copromotion of the App is offered to the sponsor as well as sponsor acknowledgement on the opening page.

Push Notifications €2,000
Push notifications are sent to all registered users and are mostly used to send out event news. This option can also be used to give sponsors the immediate impact they want.

More options are available on request.

Webcast of Satellite Symposium €6,000
Extend the reach and impact of your session.
A link to the sponsor’s webcast will be displayed on the ECTS Congress and Society websites.

Technical staff and equipment on site.

Assistance with relevant administration regarding permission from speakers.

Possible branding on the screen/slides of the webcast.

Email advertisement to access on demand webcast to congress delegates and ECTS members.

Opportunity for you to use the video files for other internal purposes (training, educational resource).

If required, access to satellite symposium recording can be password-restricted to ECTS delegates only.

Congress Highlights €15,000
Can be supported by an educational grant
An e-learning resource designed to disseminate key learning points to a wider community and extend the life of the congress. Includes an interactive pdf with video recordings of key selected sessions, speakers’ interview and much more!

Acknowledgement will be included on the congress website, final programme book and congress app.

Failure to comply with these regulations may not be used as a ground to declare the contract void. Failure to comply with the Rules and Regulations will not expose the Organiser to any suits, demands by the Supporters/ Exhibitor/any third party.
Terms & Conditions – Exhibition

Confirmation of bookings
No booking will be confirmed until the deposit has been paid.

Exhibition layout
The initial exhibition plan will be available in January 2018 and will be organised according to exhibitors’ requirements. Please note that electricity and shell scheme are not included.

Manning of stands
Exhibitors will be required to ensure that their stands are manned during the opening hours of the exhibition and must not dismantle their stands before the published closing time.

Registrations
Exhibitors are entitled to two free exhibitor registrations (NB exhibitor badges do not include entry to the scientific sessions) per 6m², and one additional exhibitor badge per 9 additional m² booked.

Sharing of stands
Exhibitors are not permitted to share or sub-let the whole or any part of their allotted booth space with others.

Flow of delegates
Nothing may impede the free flow of delegates in the aisles. This means that nothing may be built in the aisles, nor may furniture or equipment stand in the aisle space.

Build up
It is the responsibility of the exhibitor to ensure that their company’s contractor(s) and employees comply with the latest regulations regarding Health and Safety at Work regulations. No one under the age of sixteen will be permitted on the exhibition during build-up or dismantling.

Laser shows
No laser shows will be allowed at this event.

Disruption to other exhibits
The organisers reserve the right to restrict exhibits, which, because of noise, method of operation, materials or any other reason, become objectionable to other exhibitors or to delegates.

Give-aways and distribution of printed materials
Give-aways and printed material may only be distributed in the space rented by the exhibitor in the exhibition hall, in hospitality suites, or at satellite symposia. Product identification is permitted on give-aways. Contests, lotteries and raffles are subject to approval by the organisers. Supporters and exhibitors are advised to consider the codes of conduct for pharmaceutical and medical companies.

Product disclaimer
The acceptance of a product or service for exhibition does not in any manner constitute an endorsement by the organisers. Each exhibitor and/or sponsor is responsible for the material and information they make available at the congress. Exhibitors and sponsors should only present material and information which has been approved by their legal departments and which is in compliance with the legislation of the host country of the congress. It is the responsibility of exhibitors and sponsors to address these issues and any conflicts arising from such matters directly among themselves as the organisers will not arbitrate in any way in legal issues of this nature.

The International Pharmaceutical Congress Advisory Association’s (IPCAA) Code of Conduct, Medical Congress Guidelines and Housing Guidelines, and the Code of Practice of the European Federation of Pharmaceutical Industries and Associations (EFPIA) should also be adopted.

Liability
The organisers cannot accept responsibility for damage caused by an exhibitor nor for loss sustained by an exhibitor. Exhibitors or their agents must not damage or deface the exhibition facilities or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

Security and insurance
The organisers will not be held responsible for any loss or damage to exhibitors’ goods and exhibitors are reminded that they should take out their own insurance to cover for this. Health and Safety at Work Regulations It is the responsibility of the exhibitor to ensure that his contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work regulations.
Allocation of slots
Corporate members of the ECTS will be given first choice on satellite slots. Corporate members will be notified 2 weeks in advance of releasing the slot times in the Exhibition and Sponsorship Prospectus. Slots will be allocated on a first-come first-served basis. All satellite symposia must be organised at the official congress venue at the official time slots offered by the organisers in their sponsorship prospectus.

Content
The programme content of all satellites is subject to approval by the Scientific Programme Committee. An outline of the proposed programme, to include the session title, proposed chairmen and speakers and their titles must be submitted to the Committee prior to its final abstract selection meeting. The Committee will be happy to assist potential sponsors in putting together a list of topics and speakers. At least 60% of the programme of a sponsored satellite symposium must be of general scientific content and not more than 40% must be related to any specific drug or form of treatment. Satellite organisers must provide details of their session on the reply form sent to them, which must be returned by the deadline indicated. The content of any satellite may not include material which will subsequently be presented in an oral or poster presentation during the congress.

Faculty
An ECTS Board member may participate in one satellite only, as a speaker or chairman. Companies will be informed if the Scientific Programme Committee feels that there is excessive duplication of speakers, and companies will be invited to make changes in the interest of the overall programme.

Faculty costs
Please note that the ECTS is not responsible for any expenses for satellite chairmen or speakers, and companies are responsible for the registration, accommodation and travel costs in accordance with current industry regulations.

Promotion/Mailing list
Symposium details will be announced to delegates by email prior to congress. The sessions will also be listed in the programme book and one invitation (size and weight restrictions apply) may be inserted into the delegate bags.

Reward
Satellite organisers may offer no material inducement or reward to delegates to attend the session.

Insurance
Each organiser of a symposium will be responsible for each and every occurrence in the hall assigned to the symposium for the duration of the time-slot assigned to the symposium. The responsibility may extend further than the place and time of the symposium if damages are caused by the installation of materials arranged by the symposium organisers. The organisers of industry symposia are requested to effect and maintain public liability insurance.

Registrations
Companies with satellite symposia are entitled to a maximum of 5 full day passes for company personnel.
